6.005 Software Construction - Fall 2013 - Project 2: "Collaborative Whiteboard"

I. FUNCTIONALITY OVERVIEW

I. Components

The board selector in the left pane includes a list of all current whiteboards. Each line will represent a different board, which will be numbered sequentially and named by the user. Clicking on a board in the list will download the board from the server, overwriting the local copy if one exists, and display the board in the canvas window.
